

Add to Maker / Vendor Directory

Select “Add Maker / Vendor” from the Main Menu or the homepage.

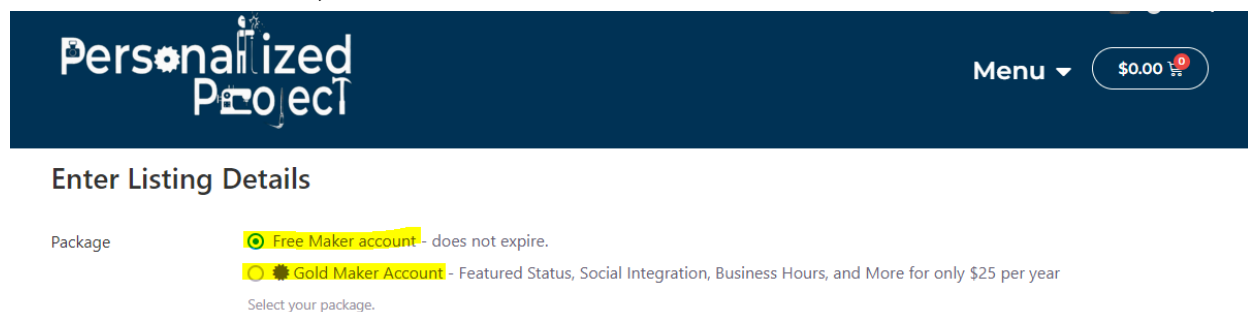

The screenshot shows the homepage of 'Personalized Project'. At the top left is the logo. At the top right is a 'Menu' dropdown with a '\$0.00' badge. The dropdown menu is open, showing options: 'Add a Maker / Vendor' (highlighted with a red arrow), 'Account', 'Personalized Project Ma', and 'Sell Online'. Below the menu is a large central text 'Find A Maker' flanked by two images: a workshop on the left and a bowl of pencils on the right. Below the text are two search input fields: 'Search For Maker Type or Project Keyword (ie Cutting Board)' and 'Zip Code'. At the bottom is a dark blue navigation bar with three buttons: 'Request A Project', 'Add a Maker / Vendor' (highlighted with a red arrow), and 'Premade Market'.

Select Package Type:

Free package: never expires

Gold Package: \$25 per year, allows features status for search results, social integration, vacation mode, and more

The screenshot shows the 'Enter Listing Details' page. At the top left is the 'Personalized Project' logo. At the top right is a 'Menu' dropdown with a '\$0.00' badge. Below the logo is the heading 'Enter Listing Details'. Underneath is a 'Package' section with two radio button options: 'Free Maker account' (selected) and 'Gold Maker Account'. The 'Free Maker account' option is highlighted with a yellow background and includes the text 'does not expire.'. The 'Gold Maker Account' option is also highlighted with a yellow background and includes the text 'Featured Status, Social Integration, Business Hours, and More for only \$25 per year'. Below the options is the text 'Select your package.'
